How would you change the web site?

- Buy and Sell Tab
- Move sign in Page, easier to navigate, use members' number as log-in
- Not at all - it's great Webmaster is awesome, Keep up the great work you do for the guild, glad we have a website
- More history
- Visitors can access almost anything, good that personal member info is private and needs coded access
- Drop Down menus for what is in each section
- Too new to make an opinion
- Add show and tell photos. More photos, slideshows of trunk shows and programs, don't use photos unless you can change them regularly
- Change front page colours, blue traditional guild colour
- Update information in a timely manner
- Make it easy to use, use members number as sign-in
- Add quilting tips, videos, links to quilting websites
- Change the colour - blue is part of history
- Better newsletter

What would make the website easier to use?

- Easier to access, move sign-in page to members only site, simplify sign-in process
- It's easy now (6 responses)
- Have a quick tutorial at a meeting
- Front page should always show date/time of next guild meeting
- Have an app for access
- NO passwords - this is too complicated, User name

should be PQHQG, and password the same for everyone

- So much has changed in web design - let's keep up
